~~TO ORDER~~

Fill out the form, print a copy for yourself, and click the submit button.

NOTE: When you click the button an email form will pop up with your order information attached, and it will be addressed to karenstone@waldenhouse.com. For security reasons this type of form is unreadable when transmitted. The form cannot be saved or read in any computer but ours after you push the submit button. To keep a copy of the order print the form before you click the submit button. If your email does not indicate that an attachment is present, your order information will not accompany the email. This happens if you are using a very old edition of the Adobe Acrobat reader. If you prefer not to transmit your credit card number online, leave the card number space blank; submit the form, and then call Waldenhouse 423-886-2721 with the information. Karen will send you an email acknowledgement of your order within 24 hours.
